TARRANT'S SELTZER APERTIENT.

The greatest strike yet.—Everywhere the sick are striking against mettalic medicine and its terrible poison.

Everywhere they are strong in the belief that Constitutional Grievances—a preparation uniting the properties of a tonic, a gentle purgative, a blood depurant, a sedative, and a general regulator is absolutely necessary in all diseases. Everywhere they are coming to the conclusion that

Tarrant's Seltzer is the best.

SELTZER APERTIENT.

is precisely such preparation. Within the past year thousands of families have adopted it. It has healthfully relieved

carding all the drugs they had previously

taken, and administered to their children.

In general debility, nervousness, liver complaint, constipation, indigestion, rheumatism, and fevers, it is indeed a marvelous medicine. Sold by all druggists.
